Ministry Update

We are very excited about the many opportunities God has given us this Winter/Spring to share His message with the people of Marble Falls. We are currently taking two groups through Discipleship, two groups through Immersion, and three groups through our Obedience training. I'm also doing one on one discipleship with a few people, which reinforces what God has been showing us: One on one discipleship works! It's not man's way of doing things; it's God's way. God is doing great things with the Church in this area. He is rescuing people, bit by bit, by changing their thinking away from the ways of this world and more to the ways of His Kingdom. It always amazes me how much the enemy has deceived God's people (including myself). We are involved in various 'Christian' activities, and yet we are, by and large, not engaging well in the activities of God's Kingdom. Please pray that God would continue to open the doors for us to understand God's Kingdom, live it, and demonstrate it to those whom God gives us.

Rubyjane Catherine

"Behold, children are a heritage from the LORD..." (Psalm 127:3) In 2013, God blessed us with Job and Rubyjane. We are thrilled at the opportunity to adopt Rubyjane since adoption has been on our hearts for many years. God's hand was clearly over every aspect of the process. (We hope to do it again one day).

The kids are doing great. They are working on memorizing Genesis Chapter 1 right now. Even Ivy and Jedidiah are doing it. We are also learning the 50 Character Qualities that are posted on our website blog.

Job is just as sweet as pie. All his siblings just adore him.

Isaiah is one of the most diligent children I know. He is amazing at finishing his Chore Packs with a good attitude. (Chore Packs from Managers of Their Chores)

Ivy loves to help cook! She just got her own cutting board and knife to help cut veggies. **Jedidiah** loves to just play. His voice is just the sweetest thing and I could listen to him talk all day.

Jared loves learning about Ancient Cultures and has probably learned more than Mom and Dad. He likes to share his knowledge with his Grandparents!

Last 3 years in a Nut Shell

February 2011- God shows us He wants us to take

Discipleship training further than the four walls of our church in Wisconsin *BUT* we don't know what this looks like...

February 2012- God tells us again to GO and gives us direction on what to do and where to go.

May 2012- Our house sells and closes in 5 weeks! God wants us to GO!

August 2012- We meet our first group whom has been praying for Discipleship Training for 2 years!

Now: 2014 Many people have gone through the training. By God's grace, some of these people have chosen to put Jesus' teaching into practice **fully!** (*Matthew 7:24-27*) *AND* the first two books are done in The DIO Trilogy.
